

EXPRESSIONS OF INTEREST

We are growing and want to hear from people who are:

- Values aligned: like us you believe in health equity and you stand up for injustice
- Team players: you understand we get more done as a team, you are eager to learn from others as well as share your experiences across the organisation. You support your team members to get the job done.
- Problem solvers: you are confident in tackling challenges in your work and are pro-active and self-motivated about seeking solutions. You thrive in a dynamic and changing environment
- Mission driven: you want more than just a job; you are looking to work with like-minded people and understand the systems that perpetuate inequity in healthcare.

We are looking for several people with experience **in cross cultural work in human services and/or health** (essential) and speaking a language other than English (highly regarded) – especially one of the following languages:

Arabic, Farsi, Mandarin, Cantonese, Spanish, Swahili, Hazaragi, Dari, Hindi, Tagalog, Vietnamese, Punjabi, Korean, Japanese, Samoan, & Indonesian.

If you have **health/human services qualifications** and have worked in human services, multicultural & settlement services, on helplines, in individual advocacy or in aged care then we would love to hear from you. We will have job opportunities coming up at LVL2 -3, \$31.60 - \$41.95 per hour, Health Professional and Support Services Award, plus 10% superannuation, generous salary sacrifice arrangements and flexible working hours including after hours and weekends. Both full-time and part-time positions will be available.
