

Building Bridges to Better Health and Wellbeing: Partnering with World Wellness Group

World Wellness Group champions equitable wellbeing for all communities. We understand that cultural and language barriers can significantly impact engagement with services, leading to poorer outcomes. That's why we've developed a cultural brokerage service connecting organisations like yours with skilled Multicultural Peer Support Workers.

How Our Cultural Brokerage Works

We handle the recruitment, training, and ongoing support of our diverse Multicultural Peer Support Workers. You identify your needs, and we expertly match you with the right support, seamlessly integrating lived experience into your service delivery.
